FROM THE PRINCIPAL’S DESK

We are half way through the Footsteps Dance Program and students are enjoying the sessions, putting a lot of effort into doing their new routines. The instructor is doing a great job.

Today, classes 3/4 and 5/6 are having their first experience with Shakespeare by participating as an audience at the production of “Midsummer Madness”. As a lead up to the performance students have been looking at the differences between the English we speak today and the language that was used in Shakespeare’s time. It will be interesting to hear what students thought about the play.

On Saturday, staff will be participating in a Staff Development Day here at school. The focus will be the new K-10 English Syllabus.

Following are some photographs of class 5/6 participating in one of the science experiments conducted by a staff member from the Riverina Environmental Education Centre. The students were totally engaged in the session. Class 3/4 also participated in a session.

Regards
Julie Webber
Digital citizenship
We're the first generation of parents responsible for equipping our children with digital citizenship skills – how to use technology safely and responsibly, and how to evaluate, manage and use the information and tools they find online.
Here are some tips to get you started:

What is a homonym?
Let's face it, English can be a crazy language; take homonyms, for example. These are words that are identical in pronunciation and spelling but have different meanings. This homonym list will provide some clarity.

WEEKLY CLASS MERIT AWARDS
Term 4 Week 4
K/1
Jace Wilson & Byrom Wilson

1/2
Cody Grady & Lachlan Dierkx

3/4
Zach Crane & Courtney Hodgkin

I would like to congratulate Mrs Murray, the school’s general assistant, for her dedication in keeping our school grounds well maintained and attractive. Following is a photograph showing one of the garden beds that is currently in bloom.
COMMUNITY NEWS
