This evening, commencing at 5:30 pm, we will be conducting an information session in the school library about literacy in the early years of schooling. It will include different aspects of reading and how to help your children at home with reading. Everyone is very welcome to attend.

The Adelong PS cross country team participated very well at the Highlands PSSA carnival last Tuesday, showing great sportsmanship. They were wonderful representatives from our school. Well done to all. Congratulations to Ethan Contessa and Jamie O’Brien, who came first and fourth respectively in the 11yrs boys’ race. They will now compete at the Riverina carnival on 11 June. We wish them great success.

Last Friday, year 1 – year 6 students attended a session called “Start Smart” about how to manage money. I attended the year 5/6 session and found it to be engaging and informative. The presenter was excellent and developed great rapport with the students.

The preschool students visited us last Friday to join us for tabloid sports and lunch. The pre-schoolers joined in with all of the activities and seemed to enjoy interacting with the older students. They ordered their lunches from the school canteen and stayed during lunchtime play. We always enjoy having them with us.
Yesterday, the year 6 student leaders participated in the GRIP Leadership Day at Charles Sturt University. The presenters were excellent and students participated in various activities to build leadership knowledge and skills. Many thanks to Ms Wren and Mr Beale for providing transport to the venue.

Over the last two days, all students have participated in the Life Education Program, learning about various topics including personal safety, functions of the internal body, feelings, safety with medicines, peer pressure and benefits of an active lifestyle. Once again, the presentation was well received by participants.

For your information: The next P&C meeting will be held in the school library on Tuesday 11 June, commencing at 6:30pm. All welcome.

Regards
Julie Webber
