FROM THE PRINCIPAL’S DESK

NOW ACCEPTING ENROLMENTS FOR 2014

The school is now accepting enrolments for 2014. If you know of anyone who has a child who will be commencing school next year, please encourage them to contact the school. If someone you speak to is undecided as to where they might enrol, please suggest that they come to the school to speak to the staff. There will be an orientation program commencing in Term 3. We have a wonderful school and look forward to welcoming new students and families.

Athletics Carnival - As you are aware, the school athletics’ carnival is on Friday 7 May. Teachers have been conducting the field events at the school, however, with students being involved in other activities and the inclement weather, some of the field events might not be finalised by Friday. If this occurs, age champions and the winning house will be announced as soon as possible in the coming week.

Parent Literacy Session - The information session about literacy was held last Tuesday. Thank you to the people who participated. It was very informative and outlined the strategies used in learning to read and write. The next session will be about computers and how technology is used in the classroom. (Date to be announced).

Premier’s Sporting Challenge - Once again, our school is participating in the 2013 NSW Premier’s School Sport Challenge. The purpose of the challenge is to encourage students to participate in sport, games and physical activity and to have more students, more active, more often.

Over a ten week period students are asked to record their physical activity in their Challenge Log Book. Your support in encouraging your child to be physically active before and after school, as well as on the weekends will encourage him/her to develop healthy lifestyle habits. By completing the challenge, students will receive a personalised certificate from the Premier of NSW.

Physical activity is valued for its physical, social and emotional benefits. It also helps young people to develop communication skills, confidence and resilience while having fun with family and friends.

Regards
Julie Webber
ENVIROCHAMPIONS’ PROJECT

Students enjoyed a sausage sizzle today as part of the fundraising being conducted by Marcus D’Alessandro, William Hassett, Jamie and Damon O’Brien who are involved in the Envirochampions’ Project. Thank you to Mrs Murray for doing the cooking.

Blake Trevena

5/6
Bradley Wren
Sophie Ryan

WEEKLY BEE AWARDS

Week 5

Congratulations to Aaron Wren, Thomas Smith, Courtney Hodgkin and Tristan Whiting who have been rewarded with their first 16 Bee Award Certificate last week.
CLASS 3/4 NEWS
Class 3/4 are working on life cycles in science and have been researching on the internet the life-cycle of a butterfly. They are also observing the beginning of a sunflower’s life cycle by watching the seeds they have put into plastic bags with paper towel and water. The seeds are germinating and it is so much fun to watch. The students are also trying out for the field events for the athletics carnival (pictured below).

REMINDERS
- Friday 14 June – School Photos will be taken. Winter uniform to be worn and black shoes (no runners/joggers)
  - ALL envelopes must be returned (with or without money) on photo day.
- Payments are overdue for:
  - workbooks $40.00 per student and
  - Mathsonline subscription $5.00 per student.
