Principal’s Report Week 1 - Term 4

Welcome back everyone to Term 4. I hope everyone had an exciting action packed holidays or a nice restful one that I always dream of.

Firstly a huge congratulations to the Senior Soccer team who are now the small schools NSW PSSA Division 3 State Champions. Thank you to Mrs Casey for coaching them and organising the matches.

There is a lot planned for this term with Year 6 Transition Program to High School starting today, Footsteps dance starting next Monday, Kindy Orientation starting next Tuesday, Envirochamps week 3, and lawn bowls and swimming for sport starting soon on Fridays. Staff will also be writing reports this term and preparing for our Presentation Night in Week 10. With all this on I am sure this term will fly again and the end of the year will be upon us before we know it. I am really looking forward to dressing up in my elf costume for Presentation Night. So let the term begin!

Mr Till has returned in the Kindy Classroom this term who will be working with a lovely lady called Fiona Crain. Fiona joins the Adelong Staff on Fridays in the Kindergarten classroom. Fiona currently works in Wagga for the other four days in an infants classroom therefore comes with a lot of Kindergarten/Year 1 experience. We look forward to her joining our fantastic staff. My aim this term is to create more consistency in the K/1 classroom and I hope by having two teachers that this will do that.

Mr Brooks has also returned to team teach with me on the 5/6 class.

Please remember my door is always open if you have any concerns. I will be off class every afternoon from lunch time for those wanting to drop in.

Have a great week,

Alison

**PLANET RHYTHM – DRUMMING PERFORMANCE**

Tomorrow, Thursday 9 October at 9.10 am. Cost per child $2.00.

The rhythm of the planet comes alive during John Rattley’s performance. Planet Rhythm is a large production: the kids will be amazed at the magnificent collection of majestic world drums and percussion instruments sourced from the four corners of the globe.

Taken on an evolutionary journey, the children will gain an insight into how rhythm and instruments originated. They will also begin to understand and appreciate the significance drumming has had on many cultures throughout the ages.

Please sign the permission envelope attached and return it to school with payment by Friday 10 October.
