**Principal’s Report Week 3 Term 3**

The term is rolling on fast with Week 3 here already. It was disappointing to have our first Tennis day rained out, so fingers and toes crossed for fine weather this week.

Heidi is attending a Fundamental Movement Skills workshop this afternoon to assist forming foundation movements and skills in the Infant years.

I have changed my office days to Friday, although I am available every afternoon after 2pm if any parent or carer needs to see me.

Good luck to Xavier Curtis, Taylah Wilson and Ethan Contessa who will be attending Riverina Athletics in Albury on Monday.

I look forward to seeing those who can make it to the P&C meeting on Wednesday evening.

CLASS 5/6 DESCRIPTIVE WRITING

The Viking
I can see the birds as I’m sailing to my island.
I can hear the waves crashing.
I can feel sweat running down my body.
I can smell my dinner getting diced and cooked.
I can taste the salt in the water splashing up onto the deck.
by Xavier

The Viking
I can see the town burning down.
I can hear the screams of the people.
I can smell the smoke of the town.
I can feel the fever from the towns fear.
I can feel the ice cold water running down the back of my throat.
by Kyle B

The Viking
I can see the shore.
I can hear the breeze blowing.
I can smell the salty fish in the breeze around me.
I can feel the waves crashing into our boat.
I can taste the salt water.
by Teegan

The Viking
I can see his homeland in the distance.
I can hear the roar of the waves and the screeching of the seagulls as they get closer to land but I can hear something else too.
I can hear the boom of the cannons and the screams of people being killed.
I can smell the salty air and the blood from the wounded people.
I can feel his hand move toward his axe handle as the other Vikings did the same.
I can taste the sweat in my mouth as I rush through the water towards the enemy as their blood runs cold when they see so many Vikings.
